2. Create your USER ACCOUNT with Apply Texas. **Record** the email account used, username, and password for future reference. DO NOT use your NISD email as you cannot receive email from outside of the district. Use a personal student email that gets checked regularly, not a parent email, since students will have to check this account later for emails from Apply Texas and Northwest Vista.

STEP TWO: Access NVC ACES Account the First Time

ACES is your student account through Northwest Vista College; it gives you access to your college records and other important information. Approximately, 3-5 days after your Apply Texas Application is submitted and approved, you *should* receive an email with your **username**, **temporary password**, and **banner ID**. The email will be sent to the email account you provided in your Apply Texas Application. If you do NOT receive the email, the STUDENT, not the parent, may call the Northwest Vista HelpDesk (210-486-4777) during business hours.

Sadly, there are often issues receiving this email from Alamo Colleges; you may have to call.

If you used your NISD student email, you will not receive the email as it will be blocked

The login for ACES is DIFFERENT than the login for ApplyTexas

The ACES site is <https://aces.alamo.edu>.

TEMPORARY PASSWORD AND CHANGING YOUR PASSWORD

- Your temporary password is the first two letters of your last name, in CAPS followed by your birthday in MMDDYY format.
